## What is Confirmation?

When a child is baptized into God's Church, their parents and God parents encourage them in the Christian faith.

Confirmation is the celebration of Christians taking ownership of the promises made by his or her parents at their baptism.

Confirmation is a public declaration that those who were baptized have chosen for themselves to turn to Christ and to live for him.

## Frequently Asked Questions

### Do I have to get confirmed?

Confirmation is the celebration of Christians taking ownership of the faith they were baptized into as infants. Therefore confirmation is strongly encouraged for those who call themselves Christians, but it is up to the individual to make this choice.

### What if I'm not baptized?

It is suggested that you be baptized prior to the confirmation service. This will be done at your normal church service.

### Do I have to be baptized again if I was baptized in a Catholic Church?

No that's fine, you can be baptized in a Catholic church and then confirmed in an Anglican Church
