

YOUTH MINISTRY 2008

Hey Welcome to SPIN!!!

We're all so pumped that you could join us tonight and we hope it wasn't just a visit. My name is Matt Graham and I am the youth pastor of St Philips Anglican Church, South Turramurra. I am the coordinator of SPIN, the Friday night youth programs we run as a church. I would like to take this chance to introduce myself, for those that don't know me and direct you to where you will find other important information.

I grew up in Turramurra, went to Turramurra HS and have been at St Philips for the last 13 years or so.. I'm a trained high school teacher who taught at Northern Beaches for a few years. Since then I have done some theological training and have spent most my energy loving my wife (Cazz Graham) and working amongst the youth of Turramurra.

We at SPIN have a heart for the young people in Turramurra and surrounding suburbs and want to help them in every way possible. Help them grow as people, help them through the "joys" of adolescence and humbly point them to Jesus in whom we all follow.

So if you've got no idea what SPIN is all about, it is basically a community of young people who follow Jesus. We have fun together, we share life together, we study the bible together, we grow as friends together. For information for what actually goes on the web is the place to go so feel free to check it out, but the basics are whacked in this pack. So feel free to have a look through and hope to see and hear from you again.

Feel free to give me a buzz or an email if you've got any questions. Cheers
